ATTENTION ALL VIRGINIA FUNERAL DIRECTORS, CREMATIONISTS AND CEMETERIANS:

Effective July 8, 2009, all crematory managers and retort operators are required to obtain certification that is recognized by the state Board of Funeral Directors and Embalmers.

The Commonwealth of Virginia has recognized the ICCFA as an official provider of crematory certification training.

"§18VAC65-20-435: Every crematory, regardless of how owned, shall have a manager of record who has ... achieved certification by the International Cemetery, Cremation and Funeral Association (ICCFA), ... and who has received training in compliance with requirements of the Occupational Health and Safety Administration (OSHA)..."

Get the edge over your competition by obtaining your certification training NOW from the ICCFA!

Note: Existing crematory managers and operators registered with the state board prior to July 8, 2009, shall have one year from that date to obtain certification. New managers and operators cannot be registered with the state board after July 8 without the certification.

The ICCFA Cremation Operator Certification program, presented in concert with Matthews Cremation Division, consists of extensive training including:

- professional terminology
- incinerator terminology
- principles of combustion
- cremation and the environment
- incinerator criteria and design
- basics of operating cremation equipment
- general maintenance and troubleshooting
- forms and record keeping
- handling and exposure control

All attendees will receive a comprehensive Operations Manual covering all aspects of crematory operation and maintenance.

Register now by calling 800.645.7700 or completing the registration form on the reverse. HURRY—SEATS ARE LIMITED!
